5. Date Incident Reported to Effected Utility: August 11, 2010
6. Date NOPV issued by Department: February 24, 2011 (#1874)
7. Department's Statement of Evidence Supporting the Alleged Violation: "The Department of Public Service investigated this incident and determined the following details. Fred Viens Excavating made a notice of excavation activities to dig a foundation to Dig Safe System Inc. Green Mountain Power did not accurately locate and mark its underground facilities in the area of the proposed excavation. During the course of the excavation a mismarked Green Mountain Power service wire was struck by Fred Viens Excavating. This damage resulted in a service outage for the homeowner for approximately 2 hours. Fred Viens Excavating notified Green Mountain Power of the damaged facility. The Department of Public Service issued 3 Notices of Probable Violation (NOPVs) to Green Mountain Power Corporation during the 12 months preceding this incident."
8. Statute, Rule, Regulation or Order Allegedly violated: 30 V.S.A. § 7006

9. The Department's Recommended Remedial Action(s) (Including Civil Penalties): Civil penalty in the amount of One Thousand Two Hundred Dollars (\$1,200.00).
10. The Respondent has agreed to take the remedial action(s) recommended by the Department.¹

Conclusion and Order

Because the Respondent has not contested the NOPV, or the allegations therein, we conclude that the remedial action proposed in the NOPV is appropriate, and should be imposed.²
